

# Elijah: The Prophet of the North

Week 4: Nobody Gets Past the Prophet

1 Kings 20 entirely leaves Elijah out of the picture, and although some scholars think that the “certain prophet” in verse 13 is Elijah, we're going to skip that part because it doesn't name Elijah.

Drawing time! Take a look at 1 Kings 21:1-16 and draw a four-panel comic strip telling the story you see there. We will be looking at each others' comics, so do this well!

- When Elijah show up in 1 Kings 21:17, what things does God tell him that no normal human being should know?
- What does Ahab call Elijah?
- How does Elijah respond?
- What is Ahab's fate at the end of the story? Why?
