

REVELATION: ACROSS THE VEIL

Episode 9: Dragons and Beasts and Such

We've just got to start with a drawing, and it won't be the last tonight. Draw the scene that you read about in Revelation 12:18-13:4.

What does this beast do in the world, and why (look at Revelation 13:10) does God send this message to the Christians of the first century?

Drawing 2: Draw a picture of the second beast in Revelation 13:11-18, and be sure to include the followers of the beasts.

What do the followers of the Lamb in Revelation 14:1-5 have in common with the followers of the beast in Revelation 13? What are the strong differences?

What happens in Revelation 14:6-11 just as the fight is about to break out? What message does God attach to this strange non-battle in 14:12-13?
